## A note from the Principal

### Celebration

We have had so many reasons to celebrate lately, with World Teachers day last Friday, our Ms. D'Elise winning a CDU mentoring award, Ms. Bonney being nominated for the NT Early Childhood award and last but not least Ms. Gray and her garden group winning a Bunnings competition worth \$500.00 😊. GO ROSEBERY!!!

### Year 5/6 Camp

Last week, our 5/6 students went on camp, and despite the heat and the flies, they returned with wonderful stories to share. A big thank you to our staff for dedicating their time away from their own families to care for our kids. I also want to recognise our parent volunteer, Andrew Turton, who made the journey with a consistently positive attitude and offered encouraging words to all the students as they tackled climbing walls, archery and many other challenging and new activities.

### School Review

Next week, from Tuesday to Thursday, we will be having our School Review . Reviews are held every four years in all Northern Territory schools as part of the School Improvement Framework. The review team will take the opportunity to talk with parents, staff, and students, and we look forward to celebrating our many achievements as well as receiving feedback to guide our future improvements.

### Mosquito Alert

We are currently experiencing a lot of Mosquitos at school, particularly in the early morning. Please spray your children in the morning before school. NT Health have released the following alert:

**NT Health are warning teachers, educators and students of higher numbers of salt marsh mosquitoes in NT coastal areas throughout October and November.**

Salt marsh mosquitoes are aggressive biters during the day and can transmit Ross River Virus.

NT Health is urging schools and early childhood services to minimise the impact of mosquitoes on young children, infants and teachers by:

- Staying indoors when mosquito numbers are noted to be very high
- Wear light-coloured long-sleeved shirts, long pants and socks
- Use insect repellents that contain DEET, picaridin or oil of lemon eucalyptus (PMD), as per label advice.

For further information, please contact Medical Entomology on 8922 8901.

### Dance Troupe

Our Dance Troupe will be performing at the Darwin Christmas Pageant on Saturday 16 November 2024 @ 5.30pm in Darwin city. If you can, please come along to cheer us on and join in the Christmas cheer.

## Class Spotlight - Year 3/4 Frazer/McIlwaine

This term in Year 3 and 4 Mamili we have been exploring graphing and collecting data in Numeracy.

Students have been showing their success using picture graphs and column graphs.

We have participated in public safety activities, with focus on the Daniel Morcombe Foundation.

# Class Spotlight - Year 3/4 Frazer/McIlwaine

We have also been fortunate enough to develop our skills with a basketball clinic during the first two weeks of this term.

We are currently focusing on practice for your end of year performance at the Darwin Entertainment Centre. We are loving working as a team towards a common goal. We can't wait to show you our amazing performance... Here is a hint...
